Can't get the Women for Trump bus schedule

I heard they've got a bus going on the 6th, but every time I go to their schedule on their website the page will not load because I "don't have permission to access the page," and the only contact info is a web form that I don't expect a response. How do I get on that bus? Help! My husband said he'd feel a lot safer with me traveling with a group, but I'll go alone if I have to.

▼ Does it have to be a women's only buss?

▼ No, doesn't need to be a women only bus. He'd just feel safer if I was traveling with a group, and I don't necessarily want to hook up with strangers and an official bus sounded good.

This is affiliated with Stop The Steal, if you scroll down, there's a "find a ride" section. I know Ali said they're getting 15+ additional charter buses yesterday or the day before. I'd try and reach out to Ali and see how to possibly get on one of the buses. I believe it's free.

Women for Trump call the cops on Patriots? That's news to me, but they are women so I could believe it. I'm going regardless, I just want to ease my husband's concerns about me going alone.

He has to work. He can't take time off, and he's MAGA, but not as MAGA as me. Sadpepe.jpeg

I'm not in your route, but I just found someone organizing a bus in my area on the wildprotest.com link. Wish me luck!
